DISPLAY BOARD - COMPETITION

“The Struggle of a FARMER”

Today's children are the citizens of tomorrow. So, it is necessary to ignite the patriotic feeling among children right from early days. An inter-House display board competition was held on 21ST July 2022 for Classes I to X.

Agriculture and farming are the backbone of any society. We should thank farmers for producing a wide range of fruits and vegetables round the year for us to eat. It is the harvest of farmlands that helps sustain the mankind. And as population continues to grow, the workload on farmers has increased with time.

In India we also celebrate Farmer's Day, popularly known as Kisan Diwas on 23rd December. The event is the birth anniversary of late Chaudhary Charan Singh, the fifth prime minister of India. He was famous as kisan leader and contributed a for betterment of Indian farmers.

An Inter House Display Board Competition was organized, the topic for this competition was “The Struggle of a Farmer” where in the houses had to depict the transformation of wheel across the ages and how it has brought mobility to our lives. The four houses –Aqua Terra Ignis and Aer worked beyond the boundaries to do justice to the theme as well as to the competition.

Respected Principal Mrs. Benitha Santosh did the honors of doing the final judgement which was truly a challenging task. Students from Class I-X participated with great zeal and enthusiasm and put in their best efforts giving a strong fight to the competition. **AQUA HOUSE** bagged their **FIRST PLACE** and the **TERRA HOUSE** **SECOND PLACE**.
